COUNT I

INFRINGEMENT OF U.S. PATENT NO. 5,351,296

7. On September 27, 1994, United States Patent No. 5,351,296 (“the 296 patent”) was duly and legally issued by the United States Patent and Trademark Office for an invention titled “Financial Transmission System.” A true and correct copy of the 296 patent is attached hereto as Exhibit A.

8. Swipe is the owner of the 296 patent with all substantive rights in and to that patent, including the sole and exclusive right to prosecute this action and enforce the 296 patent against infringers, and to collect damages for all relevant times.

9. TSYS Merchant and/or TSYS Acquiring (collectively, "TSYS"), either alone and/or in conjunction with others, including their customers and/or suppliers, made, had made, used, imported, provided, supplied, distributed, sold, and/or offered for sale payment terminal products and/or systems (including at least products and/or systems with encrypting PIN pads) that infringed one or more claims of the 296 patent. In addition, TSYS induced infringement and/or contributed to the infringement of one or more of the claims of the 296 patent by their customers and/or suppliers.

10. Swipe has been damaged as a result of the infringing conduct by defendants alleged above and, thus, such defendants are liable to Swipe in an amount that adequately compensates it for their infringements, which, by law, cannot be less than a reasonable royalty, together with interest and costs as fixed by this Court under 35 U.S.C. § 284.

JURY DEMAND

Swipe hereby requests a trial by jury on all issues so triable by right.

PRAYER FOR RELIEF

Swipe requests that the Court find in its favor and against defendants, and that the Court grant Swipe the following relief:

a. Judgment that one or more claims of the 296 patent have been infringed, either literally and/or under the doctrine of equivalents, by defendants and/or by others to whose infringement defendants have contributed and/or by others whose infringement has been induced by defendants;

b. A permanent injunction enjoining defendants and their respective officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement, inducing infringement of, or contributing to infringement of the 296 patent;

c. Judgment that defendants account for and pay to Swipe all damages to and costs incurred by Swipe because of defendants' infringing activities and other conduct complained of herein;

d. That Swipe be granted pre-judgment and post-judgment interest on the damages caused by defendants' infringing activities and other conduct complained of herein;

e. That this Court declare this an exceptional case and award Swipe its reasonable attorney's fees and costs in accordance with 35 U.S.C. § 285; and

f. That Swipe be granted such other and further relief as the Court may deem just and proper under the circumstances.
